SERVING PEOPLE SO THAT ALL MAY HAVE

AGR. On the move again: operation blessing on 11/2013

We need your help. We are planning a two month trip to Africa Cameroon with an exciting agenda. Our Objectives include assessing our on-going projects and conducting a feasibility study on our new efforts To significantly improve the quality of life for thousands of poor and orphans.

We will also

- Distribute crucial humanitarian aid items to the poor (personal hygiene items, clothing shoes, blankets, linen, educational materials, and school furnishings) “free of charge” through our projects.
- Develop agriculture partnerships to promote the availability of affordable food for the needy;
- Partner with selected villages to develop educational projects to combat illiteracy and provide education to large populations of uneducated people;
- Provides days program and training sessions for young girls to combat “teens pregnancy

We continue to carry our operations with the use of volunteers who
